

AHAM AATHMA VIDYALAYA

A house of perfect knowledge

Affiliated to CISCE

**Where curiosity
is inspired
& minds
are nurtured.**

Imparting value based education since 2003. Affiliated to the CISCE Board of Education, New Delhi.

Courage, Compassion, Equality and Integrity:

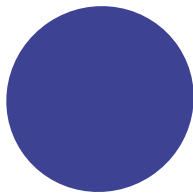

these are the cornerstones of the foundation upon which Aham Aathma is built. It is only natural that our students grow up to be leaders and achievers rooted in a culture of perseverance, humility, kindness, and honesty.

At Aham Aathma, we believe knowledge to be a pathway to achieving enlightenment - both intellectual and spiritual. So welcome, future pioneers. Welcome, thinkers, explorers, artists, and inventors. Welcome to a world where curiosity is encouraged, thoughts receive guidance, and individual uniqueness celebrated.

Our Campus:

Standing proud on a 2 acre campus, surrounded by lush greenery, the school is a sanctuary of peace, and is well equipped for a tech-savvy generation. The classrooms are spacious. The laboratories, well stocked. The teachers are adept in keeping pace with changing technology and contemporary teaching methodologies. At Aham Aathma, our students are shaping to be future-ready, while maintaining a sense of being connected to nature and the Indian culture.

Why choose Sri Aham Aathma Vidyalaya:

- We follow the ICSE curriculum which focuses on a practical centric approach to learning. It encourages an analytical mind, and provides global content. The ICSE curriculum is helpful for students in their pursuit of higher studies abroad.
- Interactive and experiential learning methodologies ensure development of problem solving, rational decision making, communication, and interpersonal skills.
- In keeping pace with an increasingly digitized world, we regularly upgrade and adapt to the latest technology so as to help our students undertake research and application of the curriculum.
- We highly encourage all-round development of our students. We are determined to seek out opportunities for our students to lead, voice their opinions, and be the change makers at school and in the community.
- Students are encouraged to pursue and develop their interests in the performing arts, fine arts, sports, environment conservation, community service and student leadership.
- We promote a safe, caring and supportive learning environment where every individual can learn from and respect one another.
- Our well trained teachers are skilled at identifying individual student's difficulties and motivating them to achieve their personal best.

Our facilities:

- 100% CCTV enabled campus with 24x7 deployment of professionally trained Security Guards to ensure complete safety and security of your child.
- Adequately staffed, safe and secure GPS enabled transportation with live information on location and movement of the school buses.
- Extensive, well-curated library, art and activity rooms with attractive, colorful and child-friendly furniture to make learning an enjoyable experience.
- Dedicated physics, chemistry, and biology laboratories. Well-equipped computer lab.
- Outdoor sports facilities include separate basketball, kho kho, and volleyball courts surrounded by cheerfully swaying arecanut and coconut trees.
- Indoor sports facilities include table tennis, carrom, and chess.
- Students are trained in sports by National and State players.
- Mathematics, science, and language clubs.
- Audio-visual room, learning/teaching labs are part of the curriculum. From pre-primary all the classrooms/labs are equipped with smart boards for increased learning and retention.
- Yoga, dance, and music are taught as part of the curriculum during regular school timings.
